Covering You 24/7

Use Delta Dental Virtual Visits delivered by TeleDentistry.com when your dentist is not available and you’re:

• having an after-hour dental issue.
• traveling and need dental assistance.
• facing a dental emergency but don’t have a regular dentist to call.

Delta Dental Virtual Visits are considered covered in-network services.¹,² In addition to your consult, a TeleDentistry.com dentist can write a prescription,³ and refer an in-network dentist if you don’t have one.
