1) Balance billing applies. Delta Dental Premier Providers may bill you above the Delta Dental PPO Maximum Approved Fees they receive from Delta Dental. You will have higher out-of-pocket costs when you visit a Delta Dental Premier Provider than if you visited a Delta Dental PPO Provider. This will be true even if the Coinsurance percentages are the same for these two types of Providers. You will have the lowest out-of-pocket costs when you select a Delta Dental PPO Provider. See the Summary of Dental Plan Benefits for more information on networks and cost sharing.

2) Balance billing applies. Non-Participating Providers may bill you above the Non-Participating Maximum Approved Fees they receive from Delta Dental. You will have the highest out-of-pocket costs when you visit a Non-Participating Provider. This will be true even if the Coinsurance percentages in this column match the percentages for other types of Providers. In addition, Non-Participating Providers have not agreed to Delta Dental's in-network protections for Enrollees. See the Summary of Dental Plan Benefits for more information on networks and cost sharing.
