

Express Scripts® Benefits Overview

University of New Mexico – Effective July 1, 2026

What you need to know about your prescriptions to ensure they are covered under your plan starting July 1, 2026. If you have questions, **starting April 22**, you can call the Express Scripts dedicated UNM customer service line at 800.743.1720 to speak with an Express Scripts representative.

	Fill at any pharmacy in your plan's network		Fill at Express Scripts® Pharmacy
	Cost for up to a 30-day supply	Cost for a 31- to 90-day supply	Cost for up to a 90-day supply
Generic Medications Best option to help you save money	\$10 for one 30-day supply	\$20 for a 31- to 90-day supply	\$20 for one 90-day supply
Preferred Brand-Name Medications Best option when a generic isn't available	25% (\$35 min / \$70 max) for one 30-day supply	25% (\$87.50 min / \$175 max) for a 31- to 90-day supply	25% (\$87.50 min / \$175 max) for one 90-day supply
Non-Preferred Brand-Name Medications Highest cost option	25% (\$55 min / \$110 max) for one 30-day supply	25% (\$137.50 min / \$275 max) for a 31- to 90-day supply	25% (\$137.50 min / \$175 max) for one 90-day supply
Diabetic Supplies & Medications	Select Diabetic Supplies & Medications are covered at a \$0 copay. Call us at 800.743.1720 for more details or log in to express-scripts.com starting July 1, 2026.		
Specialty Medications*	20% (\$250 max) for a 30-day supply of specialty medicines through Accredo® Specialty Pharmacy		
Maximum Out-of-Pocket	\$3,000 per individual / \$6,000 per family (combined with medical) \$1,250 for individual coverage (combined with medical) applies to specialty medications only		

Please Note: If a generic is available, and the pharmacy dispenses the brand-name medication for any reason other than the prescriber indicates "dispensed as written," you will pay the difference between the brand-name medication and the generic plus the brand copay.

*Your plan includes the SaveOnSP program for select eligible specialty medications dispensed by Accredo Specialty Pharmacy. As part of this benefit, medications included in SaveonSP will be subject to a 30% coinsurance; however, you could pay as little as \$0 for them.
