Annual Notice of Changes for 2023

You are currently enrolled as a member of Presbyterian Senior Care (HMO-POS) UNM Premier Plan. Next year, there will be some changes to the plan’s costs and benefits. *Please see page 4 for a Summary of Important Costs, including Premium.*

This document tells about the changes to your plan. To get more information about costs, benefits, or rules please review the *Evidence of Coverage*, which is located on our website at www.phs.org/Medicare. You may also call customer service to ask us to mail you an *Evidence of Coverage*.

- **You have from October 15 until December 7 or by the end of your employer group’s open enrollment period to make changes to your Medicare coverage for next year.**

What to do now

1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
 - Review the changes to Medical care costs (doctor, hospital)
 - Review the changes to our drug coverage, including authorization requirements and costs
 - Think about how much you will spend on premiums, deductibles, and cost sharing
- Check the changes in the 2023 Drug List to make sure the drugs you currently take are still covered.
- Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies, will be in our network next year.
- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at www.medicare.gov/plan-compare website or review the list in the back of your *Medicare & You 2023* handbook.

- Once you narrow your choices to a preferred plan, confirm your costs and coverage on the plan's website.

3. CHOOSE: Decide whether you want to change your plan

- If you don't join another plan by December 7, 2022, or by the end of your employer group's open enrollment period, you will stay in Presbyterian Senior Care (HMO-POS) UNM Premier Plan.
- To change to a **different plan**, you can switch plans between October 15 and December 7 or by the end of your employer group's open enrollment period. Your new coverage will start on January 1, 2023. This will end your enrollment with Presbyterian Senior Care (HMO-POS) UNM Premier Plan.
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

This means starting January 1, 2023, you will be getting your medical and prescription drug coverage through Presbyterian Senior Care (HMO-POS) UNM Premier Plan. If you want to change plans or switch to Original Medicare, you must do so between October 15 and December 7 or by the end of your employer group’s open enrollment period. If you are eligible for “Extra Help,” you may be able to change plans during other times.

SECTION 2 Changes to Benefit and Cost for Next Year

Section 2.1 – Changes to the Monthly Premium

<p>Monthly premium (You must also continue to pay your Medicare Part B premium.)</p>	<p>Your premium contribution is determined by your employer group.</p>	<p>Your premium contribution is determined by your employer group.</p>

- Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be *less* if you are receiving “Extra Help” with your prescription drug costs. Please see Section 6 regarding “Extra Help” from Medicare.

Section 2.2 – Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay “out-of-pocket” for the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2022 (this year)	2023 (next year)
<p>Maximum out-of-pocket amount</p> <p>Your costs for covered medical services (such as copays) from network providers count toward your in-network maximum out-of-pocket amount. Section 2.3 – Changes to the Provider and Pharmacy Networks

Updated directories are located on our website at www.phs.org/Medicare. You may also call customer service for updated provider and/or pharmacy information or to ask us to mail you a *Provider Directory*.

There are changes to our network of providers for next year. **Please review the 2023 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

There are changes to our network of pharmacies for next year. **Please review the 2023 Provider Directory to see which pharmacies are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers), and pharmacies, that are part of your plan during the year. If a mid-year change in our providers affects you, please contact customer service so we may assist.

Section 2.4 – There are no changes to your benefits or amounts you pay for medical services

Our benefits and what you pay for these covered medical services will be exactly the same in 2023 as they are in 2022.

Section 2.5 – Changes to Part D Prescription Drug Coverage

<h3>Changes to Our Drug List</h3>

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you were granted a formulary exception in 2022, you will need to submit a new request for 2023.

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact customer service for more information.

Starting in 2023, we may immediately remove a brand name drug on our Drug List if, at the same time, we replace it with a new generic drug on the same or lower cost-sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand name drug on our Drug List, but immediately move it to a different cost-sharing tier or add new restrictions or both.

This means, for instance, if you are taking a brand name drug that is being replaced or moved to a higher cost-sharing tier, you will no longer always get notice of the change 30 days before we make it or get a month’s supply of your brand name drug at a network pharmacy. If you are taking the brand name drug, you will still get information on the specific change we made, but it may arrive after the change is made.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help,” and you haven’t received this insert by October 1, 2022, please call customer service and ask for the “LIS Rider.”

There are four “drug payment stages.”

The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Changes to the Deductible Stage

Stage	2022 (this year)	2023 (next year)
Stage 1: Yearly Deductible Stage	Because we have no deductible, this payment stage does not apply to you.	Because we have no deductible, this payment stage does not apply to you.

Changes to Your Cost Sharing in the Initial Coverage Stage

Stage	2022 (this year)	2023 (next year)
<p>Stage 2: Initial Coverage Stage</p> <p>During this stage, the plan pays its share of the cost and you pay your share of the cost.</p> <p>The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost sharing. For information about the costs for a long-term supply for mail-order prescriptions, look Chapter 6, Section 5 of your <i>Evidence of Coverage</i>.</p> <p>We changed the tier for some of the drugs on our Drug List. To see if your drugs will be in a different tier, look them up on the Drug List.</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p>Tier 1-Preferred Generic: You pay \$0 per prescription</p> <p>Tier 2-Generic: You pay \$10 per prescription</p> <p>Tier 3-Preferred Brand: You pay \$45 per prescription</p> <p>Tier 4-Non-Preferred Drug: You pay \$95 per prescription</p> <p>Tier 5-Specialty Tier: You pay 33% of the total cost, up to a \$250 maximum</p> <hr/> <p>Once your total drug costs have reached \$7,050 you will move to the next stage (the Catastrophic Coverage Stage).</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p>Tier 1-Preferred Generic: You pay \$0 per prescription</p> <p>Tier 2-Generic: You pay \$10 per prescription</p> <p>Tier 3-Preferred Brand: You pay \$45 per prescription</p> <p>Tier 4-Non-Preferred Drug: You pay \$95 per prescription</p> <p>Tier 5-Specialty Tier: You pay 33% of the total cost, up to a \$250 maximum</p> <hr/> <p>Once your total drug costs have reached \$7,400 you will move to the next stage (the Catastrophic Coverage Stage).</p>

Important Message About What You Pay for Vaccines – Our plan covers most Part D vaccines at no cost to you. Call customer service for more information.

Important Message About What You Pay for Insulin – You won't pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on.

SECTION 3 Deciding Which Plan to Choose

Section 3.1 – If you want to stay in Presbyterian Senior Care (HMO-POS) UNM Premier Plan

To stay in our plan you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, or by the end of your employer group's open enrollment period, you will automatically be enrolled in our 2023 Presbyterian Senior Care (HMO-POS) UNM Premier Plan.

Section 3.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change for 2023 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- --OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 2.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

As a reminder, Presbyterian Health Plan, Inc. offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Presbyterian Senior Care HMO-POS UNM Premier Plan.
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Presbyterian Senior Care HMO-POS UNM Premier Plan.
- To **change to Original Medicare without a prescription drug plan**, you must either:

- Send us a written request to disenroll. Contact customer service if you need more information on how to do so. You may also contact your employer group for details on how to disenroll.
- – *OR* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 4 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7, or by the end of your employer group’s open enrollment period**. The change will take effect on January 1, 2023.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2023, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2023. Contact your employer group for details of this switch.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage at any time. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 5 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In New Mexico, the SHIP is called New Mexico Aging and Long-Term Services.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. New Mexico Aging and Long-Term Services counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call New Mexico Aging and Long-Term Services at 1-800-432-2080 or TTY (505) 476-4937. This document tells about the changes to your plan. To get more information about costs, benefits, or rules please review the *Evidence of Coverage*, which is located on our website at www.phs.org/Medicare. You may also call customer service to ask us to mail you an *Evidence of Coverage*.

- **You have from October 15 until December 7 or by the end of your employer group's open enrollment period to make changes to your Medicare coverage for next year.**

What to do now

1. **ASK:** Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
 - Review the changes to Medical care costs (doctor, hospital)
 - Review the changes to our drug coverage, including authorization requirements and costs
 - Think about how much you will spend on premiums, deductibles, and cost sharing
- Check the changes in the 2023 Drug List to make sure the drugs you currently take are still covered.
- Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies, will be in our network next year.
- Think about whether you are happy with our plan.

2. **COMPARE:** Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at www.medicare.gov/plan-compare website or review the list in the back of your *Medicare & You 2023* handbook.

- Once you narrow your choices to a preferred plan, confirm your costs and coverage on the plan's website.

3. CHOOSE: Decide whether you want to change your plan

- If you don't join another plan by December 7, 2022, or by the end of your employer group's open enrollment period, you will stay in Presbyterian Senior Care (HMO-POS) UNM Select Plan.
- To change to a **different plan**, you can switch plans between October 15 and December 7, or by the end of your employer group's open enrollment period. Your new coverage will start on **January 1, 2023**. This will end your enrollment with Presbyterian Senior Care (HMO-POS) UNM Select Plan.
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 1 Unless You Choose Another Plan, You Will Be Automatically Enrolled in Presbyterian Senior Care (HMO-POS) UNM Select Plan in 2023

If you do nothing by December 7, 2022, or by the end of your employer group’s open enrollment period, we will automatically enroll you in our Presbyterian Senior Care (HMO-POS) UNM Select Plan. This means starting January 1, 2023, you will be getting your medical and prescription drug coverage through Presbyterian Senior Care (HMO-POS) UNM Select Plan. If you want to change plans or switch to Original Medicare, you must do so between October 15 and December 7, or by the end of your employer group’s open enrollment period. If you are eligible for “Extra Help,” you may be able to change plans during other times.

SECTION 2 Changes to Benefit and Cost for Next Year

Section 2.1 – Changes to the Monthly Premium

Cost	2022 (this year)	2023 (next year)
<p>Monthly premium (You must also continue to pay your Medicare Part B premium.)</p>	<p>Your premium contribution is determined by your employer group.</p>	<p>Your premium contribution is determined by your employer group.</p>

- Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be *less* if you are receiving “Extra Help” with your prescription drug costs. Please see Section 6 regarding “Extra Help” from Medicare.

Section 2.2 – Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay “out-of-pocket” for the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2022 (this year)	2023 (next year)
<p>Maximum out-of-pocket amount</p> <p>Your costs for covered medical services (such as copays) from network providers count toward your in-network maximum out-of-pocket amount. Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.</p>	<p>\$3,000</p> <p>Once you have paid \$3,000 out-of-pocket for Part A and Part B covered services, you will pay nothing for your covered Part A and Part B services from network providers for the rest of the calendar year.</p>	<p>\$3,000</p> <p>Once you have paid \$3,000 out-of-pocket for Part A and Part B covered services, you will pay nothing for your covered Part A and Part B services from network providers for the rest of the calendar year.</p>
<p>Combined maximum out-of-pocket amount</p> <p>Your costs for covered medical services (such as copays) from in-network and out-of-network providers count toward your combined maximum out-of-pocket amount. Your plan premium does not count toward your maximum out-of-pocket amount.</p>	<p>\$10,000</p> <p>Once you have paid \$10,000 out-of-pocket for covered services, you will pay nothing for your covered services from network or out-of-network providers for the rest of the calendar year.</p>	<p>\$10,000</p> <p>Once you have paid \$10,000 out-of-pocket for covered services, you will pay nothing for your covered services from network or out-of-network providers for the rest of the calendar year.</p>

Section 2.3 – Changes to the Provider and Pharmacy Networks

Updated directories are located on our website at www.phs.org/Medicare. You may also call customer service for updated provider and/or pharmacy information or to ask us to mail you a *Provider Directory*.

There are changes to our network of providers for next year. **Please review the 2023 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

There are changes to our network of pharmacies for next year. **Please review the 2023 Provider Directory to see which pharmacies are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers), and pharmacies, that are part of your plan during the year. If a mid-year change in our providers affects you, please contact customer service so we may assist.

Section 2.4 – There are no changes to your benefits or amounts you pay for medical services

Our benefits and what you pay for these covered medical services will be exactly the same in 2023 as they are in 2022.

Section 2.5 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you were granted a formulary exception in 2022, you will need to submit a new request for 2023.

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact customer service for more information.

Starting in 2023, we may immediately remove a brand name drug on our Drug List if, at the same time, we replace it with a new generic drug on the same or lower cost-sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand name drug on our Drug List, but immediately move it to a different cost-sharing tier or add new restrictions or both.

This means, for instance, if you are taking a brand name drug that is being replaced or moved to a higher cost-sharing tier, you will no longer always get notice of the change 30 days before we make it or get a month’s supply of your brand name drug at a network pharmacy. If you are taking the brand name drug, you will still get information on the specific change we made, but it may arrive after the change is made.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help,” and you haven’t received this insert by October 1, 2022, please call customer service and ask for the “LIS Rider.”

There are four “drug payment stages.”

The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Changes to the Deductible Stage

Stage	2022 (this year)	2023 (next year)
Stage 1: Yearly Deductible Stage	Because we have no deductible, this payment stage does not apply to you.	Because we have no deductible, this payment stage does not apply to you.

Changes to Your Cost Sharing in the Initial Coverage Stage

Stage	2022 (this year)	2023 (next year)
<p>Stage 2: Initial Coverage Stage</p> <p>During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost.</p> <p>The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost sharing. For information about the costs for a long-term supply for mail-order prescriptions, look Chapter 6, Section 5 of your <i>Evidence of Coverage</i>.</p> <p>We changed the tier for some of the drugs on our Drug List. To see if your drugs will be in a different tier, look them up on the Drug List.</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p>Tier 1-Preferred Generic: You pay \$0 per prescription</p> <p>Tier 2-Generic: You pay \$10 per prescription</p> <p>Tier 3-Preferred Brand: You pay \$45 per prescription</p> <p>Tier 4-Non-Preferred Drug: You pay \$95 per prescription</p> <p>Tier 5-Specialty Tier: You pay 33% of the total cost, up to a \$250 maximum</p> <hr/> <p>Once your total drug costs have reached \$4,430 you will move to the next stage (the Coverage Gap Stage).</p> <hr/> <p>Once you have paid \$7,050 out-of-pocket for Part D drugs, you will move to the next stage (the Catastrophic Coverage Stage).</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p>Tier 1-Preferred Generic: You pay \$0 per prescription</p> <p>Tier 2-Generic: You pay \$10 per prescription</p> <p>Tier 3- Preferred Brand: You pay \$45 per prescription</p> <p>Tier 4-Non-Preferred Drug: You pay \$95 per prescription</p> <p>Tier 5-Specialty Tier: You pay 33% of the total cost, up to a \$250 maximum</p> <hr/> <p>Once your total drug costs have reached \$4,660 you will move to the next stage (the Coverage Gap Stage).</p> <hr/> <p>Once you have paid \$7,400 out-of-pocket for Part D drugs, you will move to the next stage (the Catastrophic Coverage Stage).</p>

Important Message About What You Pay for Vaccines – Our plan covers most Part D vaccines at no cost to you. Call customer service for more information.

Important Message About What You Pay for Insulin – You won't pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on.

SECTION 3 Deciding Which Plan to Choose

Section 3.1 – If you want to stay in Presbyterian Senior Care (HMO-POS) UNM Select Plan

To stay in our plan you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, or by the end of your employer group's open enrollment period you will automatically be enrolled in our 2023 Presbyterian Senior Care (HMO-POS) UNM Select Plan.

Section 3.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change for 2023 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- --OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 2.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

As a reminder, Presbyterian Health Plan, Inc. offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Presbyterian Senior Care (HMO-POS) UNM Select Plan.
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Presbyterian Senior Care (HMO-POS) UNM Select Plan.
- To **change to Original Medicare without a prescription drug plan**, you must either:

- Send us a written request to disenroll. Contact customer service if you need more information on how to do so. You may also contact your employer group for details on how to disenroll.
- – *OR* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 4 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7** or by the end of your employer group’s open enrollment period. The change will take effect on January 1, 2023.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service

If you enrolled in a Medicare Advantage plan for January 1, 2023, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2023. For more information, see Chapter 10, Section 2.2 of the *Evidence of Coverage*. Contact your employer group for details of this switch.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage at any time. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 5 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In New Mexico, the SHIP is called New Mexico Aging and Long-Term Services.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. New Mexico Aging and Long-Term Services counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call New Mexico Aging and Long-Term Services at 1-800-432-2080 or TTY (505) 476-4937. You can learn more about New Mexico Aging and Long-Term Services by visiting their website (www.nmaging.state.nm.us/).

SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs.

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day, 7 days a week;
 - The Social Security Office at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
 - Your State Medicaid Office (applications).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the New Mexico Department of Health AIDS Drug Assistance Program:
