Important Questions	Answers	Why This Matters:
What is the overall deductible?	LoboCare: \$0/\$0 In- Network: <b>\$600</b> /Individual / <b>\$1,200</b> /Family Out-of-Network: <b>\$1,800</b> /Individual / <b>\$3,600</b> /Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay.
Are there services covered before you meet your deductible?	Yes. <u>preventive care</u> is covered before you meet your <u>deductible</u> .	This plan covers some items and services even if you haven't met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive care</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	LoboCare/In-network: \$3,000/Individual / \$6,000/Family. Out-of-network: \$7,500/Individual / \$15,000/Family.	The out of pocket limit is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit?	Premiums, balance billing charges, and health care this plan doesn't cover. In addition, certain specialty pharmacy drugs are considered non-essential health benefits under the Affordable Care Act (ACA), and fall outside the out-of-pocket limits.	Even though you pay these expenses, they don't count toward the out of pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.phs.org or call 1-866-574-9567 for a list of participating providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out of network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ).
Doyou need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
