<p>Are there services covered before you meet your deductible?</p>	<p>Yes. preventive care is covered before you meet your deductible.</p>	<p>This plan covers some items and services even if you haven't met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive care without cost sharing and before you meet your deductible. See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits.</p>

<p>What is not included in the out-of-pocket limit?</p>	<p>Premiums, balance billing charges, and health care this plan doesn't cover. In addition, certain specialty pharmacy drugs are considered non-essential health benefits under the Affordable Care Act (ACA), and fall outside the out-of-pocket limits.</p>	<p>Even though you pay these expenses, they don't count toward the out of pocket limit.</p>
