

# The Public Service Loan Forgiveness Program (PSLF)

Employees of federal, state, local, and tribal governments as well as not-for-profit employers may be eligible for the Public Service Loan Forgiveness Program (PSLF). PSLF forgives the remaining balance of your Direct Loans after you have made 120 qualifying monthly payments via a qualifying repayment program during a period of time that you are working full time for a qualifying employer.

If you missed the February 2022 Benefits & Employee Wellness Workshop about PSLF with presenter Janell Valdez, Associate Director of Financial Aid at HSC, the links below include a video recording of the event as well as slides and other resources.
