

GET YOUR FLU VACCINATION TODAY!

Did you know?

The flu vaccine has been shown to reduce doctor visits due to the flu by **40 to 60%**.

Getting your flu vaccine this year is more important than ever. Help reduce the burden on our healthcare system, which could be overwhelmed treating both flu and COVID-19 patients, by getting your flu shot.

UNM Health Sciences Center, UNM Hospital, Student Health and Counseling, and Benefits & Employee Wellness encourage you to take advantage of our upcoming convenient flu shot clinics*.

UNM Hospital Public Drive-Thru Clinics

Sept. 26-Oct. 31

Various locations throughout Albuquerque

UNM "Main Event" Community Walk-Up Clinics

(Available for anyone ages 18 and older)

Tuesday, Oct. 20 and Wednesday Oct. 21

11 a.m. to 3 p.m.

Cornell Plaza (Outside SUB near Satellite Coffee)

FREE PARKING IN CORNELL PARKING STRUCTURE

For additional flu shot information and providers,
visit our 2020 Flu Shot Website at:

goto.unm.edu/flushots

*All clinics are only offering the standard flu vaccine dosage, which is acceptable for those over 65 of years of age. The "senior"/high dose flu vaccine will not be offered at any of the clinics.
