UNM Benefits **Open Enrollment** for the 2019-2020 Plan Year (July 1—June 30) is coming soon! As a benefits-eligible employee, Open Enrollment (OE) is your annual opportunity to make changes to your UNM medical, dental, vision, life, disability, and accidental death and dismemberment (AD&D) insurance plans.

Watch for a pre-open enrollment benefit letter that will summarize your current health, life, and disability benefit elections coming to your home address prior to April 24.

Information and enrollment will be available on the [OE website](#) beginning April 1, including a schedule of vendor fairs and presentations.

**UNM LoboHealth Plan**

On July 1, employees and dependents enrolled in UNM Blue Cross Blue Shield (BCBS) and UNM Team Health (UNMTH) will be automatically enrolled in a combined UNM Medical Plan called UNM LoboHealth.

The plan offers more predictable lower out-of-pocket costs when accessing Tier 1 services, as well as access to Tier 2 (BCBS national network) providers without the need for approval, at slightly higher out-of-pocket costs. Out-of-pocket costs paid at the time of service are based on the network tier accessed at the time of service.

**UNM LoboHealth** will continue to provide valuable health care benefits for all enrolled employees and their dependents, preserve your health care provider choices, and support health care cost management with sustainable benefits into the future.

Employees enrolled in UNM LoboHealth will be issued a new member ID card by July 1. Visit the [OE website](#) beginning April 1 for more information.

**What this means for current BCBS participants:**

1. If you are currently using a Tier 1 provider, you can continue to do so with an enhanced experience of prioritized scheduling and lower out-of-pocket costs.
2. If you are currently using a Tier 2 provider, you can continue to do so without approval and still pay the same out-of-pocket costs you currently pay.
3. An expanded Tier 1 network.

**What this means for current UNM Team Health participants:**

1. You will pay lower out-of-pocket costs when you visit Tier 1 providers.
2. Enhanced priority scheduling.
3. You can choose to access Tier 2 providers without approval.

**There are no anticipated plan design changes for Presbyterian members.**

Stay tuned for additional details during Open Enrollment. If you have questions, contact the Benefits Office at 505-277-MyHR (6947).

FY 2019 Non-UNM Student Hire Program

The Division of Human Resources is pleased to offer the Youth Summer Worker (YSW) and Academic Internship (AI) Programs in FY 2019. These programs were developed to provide UNM departments with the ability to engage high school and non-UNM college students through internship opportunities.

Both the Youth Summer Worker Program and the Academic Internship Program provide student recruitment opportunities by highlighting UNM as an employer and higher education institution of choice. The chart below outlines qualifications for each job title within the Non-UNM Student Hire Program. All Non-UNM Student Hire positions may be requested through a competitive or non-competitive process, depending on each department’s unique business needs.

Non-UNM Student positions are subject to normal UNM Staffing Services administrative fees. UNM Staffing Services facilitates the Non-UNM Student Hire process for all UNM departments, reducing the amount of time UNM departments spend on the hiring process and ensuring compliance with all Child Labor Laws.

### Minors on Campus

Per Section 4.2 of UAPP: – Policy 2205, authorized adults who will have one-on-one contact with minors or participate in overnight activities with minors, must clear criminal background checks prior to participation in these University programs.

Please refer to the program information and requirements available on the Non-UNM Student Hire Program Website. You can also contact the UNMTemps department for more information by calling 505-277-2013 or emailing UNMTemps@unm.edu.

Requests for Non-UNM Student positions should be submitted via the UNMTemps request process in UNMJobs. A step-by-step guide can be found on the Employment Knowledge Base or email UNMTemps@unm.edu for a step-by-step guide or direct assistance with the process.

### Walk Out On Work, April 3

In celebration of the American Heart Association’s Move More Month of April, Employee Wellness is promoting National Walking Day.

On Wednesday, April 3 join us while we Walk Out on Work. We are encouraging staff and faculty to incorporate exercise into their workday and walking is one of the easiest ways to start becoming more physically active.

Each person who participates in a scheduled walk will receive an “I Walked Out on Work” sticker. A complete list of walks in your area is posted on the Employee Wellness website. The list is always being updated!

So move more, live more on April 3 and join us. Find a walk near YOU!

Exercise Physiology Laboratory Blood Testing

Did you know UNM Exercise Physiology Labs offers a variety of testing services for the UNM Community?

Located in Johnson Center, the labs are equipped to test all aspects of physical fitness including cardiovascular endurance, pulmonary function, muscular strength and endurance, body composition, flexibility, and blood hormone, lipid and enzyme profiles.

Employee Wellness encourages you to take advantage of the cholesterol, glucose and HbA1C testing to get a full picture of your health.

The Exercise Physiology Labs are located in Johnson Center, B-143. Cholesterol testing costs $20 (full lipid panel), glucose testing is $12, and HbA1C costs $22 (cash or check only).

To sign up, call for an appointment at 505-277-2658. Eat nothing and drink only water for 12 hours before Cholesterol and Glucose testing. If only getting HbA1C, fasting is not necessary. Check out the Exercise Science Community Testing website for details on these recommended tests and other total fitness assessment packages.
Stadium Stair Challenge Is Almost Here: April 27, Dreamstyle Stadium

Employee Wellness has a competition for you at the 4th Annual Stadium Stair Challenge on April 27, 2019!
