Counting Down to a Tobacco-Free Campus

The University of New Mexico and Employee Health Promotion are committed to wellness, prevention, and providing a healthy environment in which to learn, work, and visit. For these reasons, by the Fall of 2017 smoking and other tobacco use (including e-cigarettes) will be further restricted on campus and relegated to a few remaining designated smoking areas. The hope and expectation is that eventually UNM will eliminate all designated smoking areas to become a tobacco- and smoke-free campus. For more on the initiative, visit the UNM Newsroom.

Beginning July 1, 2017, The Standard is transitioning the enrollment site for life, disability, and accidental death and dismemberment (AD&D) insurance from their Benefitsolver platform to The Standard's internal, more user-friendly enrollment site.

This means that all information previously collected by the Benefitsolver site will be transferred to Standard’s site, including all enrollment information, beneficiary designation, and eligibility information. This transition will help Standard provide a higher level of service to UNM employees when enrolling in or making changes to life, disability, and AD&D insurance. If you made enrollment changes during this year’s Open Enrollment period that will be effective July 1, 2017, your elections will be transferred to Standard's internal enrollment site.

If you are currently enrolled in life, disability, and/or AD&D, and need to access Standard’s enrollment site to update your information (including your beneficiary designation) any time after June 30, 2017, you will need to register on Standard’s new enrollment site as a first time user. As a first time user, your User Name is your UNM Banner ID and your initial Password/PIN is the last four numbers of your Banner ID and the last two numbers of your birth year (e.g., 034277). A first time user guide will be available on the HR website by July 1, 2017, to assist you with registering as a first time user and provide instruction on how to navigate the new site.

**Monthly Leave/Exception Time Reporting Reminders**

The UNM Payroll Department began sending out email reminders to Department Timekeepers and Approvers for the 5R Monthly Leave/Exception time reporting to those using Banner Department Time Entry.

Our goal is to attempt to limit the number of 5R leave adjustments created by departments forgetting to finish and approve monthly leave. It is critical that leave be reported accurately and in a timely manner. An initial friendly reminder email will be sent approximately eight business days prior to the monthly Leave/Exception time entry deadline. Additionally three more reminder emails will be sent: two days before, one day before, and again on the actual day of the deadline.

Questions? Contact the Payroll department: [pay@unm.edu](mailto:pay@unm.edu) or 505-277-2353.
Celebrate the International Day of Yoga  
June 21, 2017

The 21st of June was declared as the International Day of Yoga by the United Nations General Assembly on December 11, 2014. The Resolution (69/131) received broad support from 177 member states. The declaration came after the call for the adoption of June 21 as the International Day of Yoga by Prime Minister of India, Mr. Narendra Modi, during his address to UN General Assembly on September 27, 2014.

Noting the importance of individuals and populations making healthier choices and following lifestyle patterns that foster good health, underscoring the fact that global health is a long-term development objective that requires closer international cooperation through the exchange of best practices aimed at building better individual lifestyles devoid of excesses of all kinds, understanding that yoga provides a holistic approach to health and well-being, and recognizing that wider dissemination of information about the benefits of practicing yoga would be beneficial for the health of the world population, The UN proclaims June 21 the International Day of Yoga.

The International Day of Yoga event at UNM will be held on June 21, 2017 at George Pearl Hall (across from the UNM Bookstore) in the First Floor Gallery, from 12:00 - 1:00 pm. The event is free and open to all! Bring your own yoga mat and hydration. Space is limited, so arrive early to secure a place.
