Open Enrollment for Flexible Spending Accounts (FSA)
Wednesday, November 1 – Friday, November 17, 2017

Open Enrollment for Flexible Spending Accounts (FSA) begins on Wednesday, November 1, 2017 and ends on Friday, November 17, 2017.

Enrollments must be completed online between November 1 and November 17, 2017. To access the FSA Open Enrollment online 24 hours a day, 7 days a week, go to MyUNM, select the LoboWeb tile, click on Benefits and Deductions, and login using your UNM credentials.

There are two FSA plans offered to benefits-eligible staff and faculty: the Health FSA and Dependent Care FSA. The maximum annual election amount for a Health Care FSA in 2018 is $2,650. The maximum annual election amount for a Dependent Care FSA in 2018 is $5,000 (head of household or married filing jointly) or $2,500 (married filing separately).

Based on an employee’s annual FSA election, a fixed dollar amount is deducted in equal installments each payday on a pre-tax basis. This money can then be utilized for eligible out-of-pocket expenses. Eligible expenses are determined and set by the IRS. Examples of eligible expenses for the Health FSA are copays, coinsurance, and deductibles, and many more out-of-pocket expenses qualify.

The Dependent Care FSA helps with expenses for child and/or elder dependent care, enabling employees to remain gainfully employed.

During FSA Open Enrollment, employees have the opportunity to enroll in a Health FSA, a Dependent Care FSA, or both. When enrolling in a particular FSA, participants must decide how much their annual election will be for the designated time frame. Keep in mind: participants need to carefully evaluate their reimbursable expenses or risk forfeiture of unused FSA balances according to IRS rules and plan eligibility.

Current FSA participants must reenroll every year if they wish to continue participating.

For additional information, visit the HR Flexible Spending Account webpage. For further assistance or questions, contact the Benefits office at 505-277-MyHR (6947).

The Onsite Preventive Health Checkups concluded on October 6, 2017. We want to be sure everyone who participated receives their credit in a timely manner. Help us make sure you get yours by following these steps:

- You must have completed your checkup or submitted your Primary Care Provider Form to Catapult Health by October 6, 2017.
- You must continue to be enrolled in your UNM medical plan at the time of payment to receive the medical premium credit.
- **The credit is $200 for eligible employees and $100 for eligible spouse/domestic partners and the credit will begin to appear in employee paycheck(s) in late November 2017.** One or more of your paychecks will show an adjusted amount for your medical premium.
- You will see a reduced deduction for your medical premium rather than a line-item deduction. The full medical premium credit may be spread across multiple months, depending on your per-pay-period premium amount. Be sure to confirm the full credit is deducted over the necessary number of months to equal the complete credited amount.

**If You Don’t See the Premium Credit in Your Paycheck**

If you meet all the criteria for the medical premium credit, and do not receive a November or December 2017 premium reduction, you must notify EHP at ehp@unm.edu by January 15, 2018. EHP will review your eligibility and participation to ensure that any necessary corrections for credit are implemented.

To honor our United States service women and men, Employee Health Promotion (EHP) would like to invite you to support Operation Gratitude.

Operation Gratitude sends care packages containing donated items to individual Soldiers, Sailors, Airmen, and Marines who are deployed in remote regions around the world.

Encourage your coworkers to give the gift of wrapped candy, food items such as granola bars, beef jerky, trail mix, and other items. Find a location near you!

Operation Gratitude provides a way to express your respect and appreciation to the men and women of the U.S. Military. Thank you for supporting our troops!

Equinox Tabata instructor Raneir Pollard's amazing energy will inspire you. Tabata is a form of HIIT (high intensity interval training) that alternates between 20 seconds of intense bursts of work and 10 seconds of rest in four-minute rounds. You don't need any equipment for the workout, but do grab a towel and a bottle of water — you're going to need both. Then press play and get ready to sweat, tone, and burn!

If you're interested in more ideas customized for your work group, contact EHP. We offer a variety of classes, including Stretch Away Stress and Ergonomic Stretch Breaks. We also sell resistance bands for $15.

Employee Health Promotion is excited to announce we're partnering with HealthyWage again, but this time to bring you the Step Challenge! It's a great way to increase your activity in a fun environment, and help avoid the holiday weight gain from all those tasty treats!

Get Ready

Staffing Services: Shared Service Center Launch!

UNM Staffing Services launched its Shared Service Center (SSC) model on October 23, 2017. With the SSC model, departments can engage in our full-service staffing model or choose from an a la carte menu to tailor our services to fit their needs.

Services will include:

- Posting and Advertising of Positions
- Sourcing Candidates
- Screening & Recommendation of Top Candidates
- Coordination of Department Interviews
- Pre-Employment Screening (reference checks, background checks, fingerprinting, scheduling of EOHS physicals)
- Processing of Hiring Request and Offer Letter

The SSC model will be an invaluable resource and cost effective model for departments that don’t have dedicated resources focused on hiring needs and for larger departments that need to expedite recruitment & hiring actions.

Please visit our Shared Service Center page for more information, and complete our Shared Service Request Form to get the process started. Contact us at 505-277-2013 or staffrecruiting@unm.edu with any questions. We’re excited to serve you!
